The screenshot displays a web browser window with the address bar showing `localhost:3000/demo/shop_83/supa/womens`. The website has a navigation bar with links for [TKUdemo](#), [Shop](#), [Contact](#), and [Sign In](#), along with a shopping cart icon. The main content area features the heading

The second row includes a Striped Sweater (45), Yellow Track Suit (135), and White Blouse (20). A developer console on the right side of the browser shows the following log entries:
